SPECIAL BARGAIN AUCTION CATALOG
MAIL BID SALE OCT. 16, 1942

Send all Bids to

C. J. EDGAR 18 TWAIN STREET BALDWIN, N.Y.

Please read the lots, (260 of them) very carefully. After each lot will be found two Valuations. In order to be a successful bidder, Bid between these two Valuations. If you bid over the last one, you can be pretty sure of success. If you bid less than the first valuation, you are undoubtedly wasting your time. When there is only one Valuation, it is a reserve, in other words, bids under this reserve, will not be considered.

The Valuations are for your convenience and protection. It seems the most well informed Coin buyer, either bids too high, or too low. Remember for a good chance at success, bid between the two figures after each lot!

All Lots are sold by the LOT. All Valuations are based accordingly.

ALL COINS LISTED ARE BUYS!

All Material is Genuine, unless otherwise stated.

KEEP THIS IN MIND.....

1. Send in all Bids by Oct. 16th.
2. Bids are so much per lot.
3. Follow above instructions for successful bidding.
4. Terms are strictly CASH, and must be paid promptly upon notification of successful Bidding.
5. Postage and Insurance will be charged to Buyer.
6. Any one may send in Bids.
7. A Charge of 5% will be charged for mailing and packing.
8. Every Coin must be sold. So enter plenty of BIDS, BUY AT YOUR PRICE!

Dear Collectors:

This List was formerly published by Mr. J.J.Ford Jr., however, he is now associated with a large N.Y. Coin firm, and has passed this highly successful list on to me. I believe in treating people right, and hope to give you the same fine treatment enjoyed in the past.

The Bid sheet is on the last page, Send in all Bids early. Coins are getting very tough to get, therefore bid liberally. All estimates are from the 1943 Supplement of the Standard Catalog or from recent records.

GOOD LUCK.....
